Pierce School Information:

***Pierce School opens** its doors at 8:20. Upon arrival, students report to the multipurpose room for Walking Club until 8:40, the start of the school day. In the event that a student arrives after 8:40, parents are asked to come into the office with the student to sign in.*

***Dismissal** Parents who are picking children up are asked to sign their child out on the clipboard in the lobby before entering the multi-purpose room to wait for dismissal at 3:25.*

***PUP-** Pick up Patrol is available as a way to notify the school about changes to your child's dismissal plan, and for absences, late arrivals and early dismissals. (Adding any lunch program needs in the notes for late arrivals insures your child is included in the lunch count.) Please make dismissal changes for the prior to 2:30, before the cut off time in PUP. After 2:30, please call the school with dismissal changes as needed.*

***Nurse Mellon Request-** In the event of an accident or spill, an extra set of undies, pants, socks and shirt sent into school from home is always welcome*
